Could you be a

CYBERSECURITY SUPERHERO?

CyberStart America can help you find out!

CyberStart America is a **FREE** cybersecurity program for high school students, with more than 200 fun-to-play puzzles. Uncover your hidden talent for cybersecurity, develop useful skills and compete for awards and cyber scholarships. No experience needed and perfect for beginners!

With nearly 40,000 jobs in Florida and over 700,000 nationwide open right now, America is looking to recruit and train the next generation of cybersecurity superheroes.
It could be YOU!

Is Cyber a good fit for you?

If the traits below sound like you, a cyber career could be in your future!

✔ Naturally curious
✔ Good problem solvers
✔ Enjoy learning new things
✔ Tenacious and self-motivated
